

BEN LOMOND QUAKER CENTER

RISING TO THE CALL Prophetic Witness for an Earth Restored

with Keith Runyan
General Secretary, Quaker Earthcare Witness
In-Person, March 20-22, 2026

Through reflection, Quaker worship, and deep dialogue we'll explore our shared times as a collective rite of passage - shedding illusion, grounding in conscience, and awakening to our unique callings. Inspired by Daniel Berrigan, Bayard Rustin, and Joanna Macy, we'll ask: "In the tumult of our times, who was I born to be?"
